Dear Miss Medlock:

Thank you very much for your inquiry dated August 2 concerning our APECO Bindak, Ply-On Laminator and Auto-Stat photocopying machines.

We are enclosing for your inspection brochures covering these units along with price lists, F. O. B. Evanston, Illinois.

You are advised that we will be able to make immediate delivery of any of the units modified to any particular voltage and/or cycle requirement you may have at a slight additional charge.

If you have any additional comments and/or inquiries, please feel free to write.

Very truly yours,

AMERICAN PHOTOCOPY EQUIPMENT CO.
